# OCTOPUS MEDIA DEBUTS IN NORTH AMERICA

October 6th, 2017

Octopus media, the world's leading media interests center, launches today in North America offering a revolutionary and unrivalled media experience tuned to your personal preferences.

With a worldwide community of more than 140 million people, OctoMedia offers both a free ad-supported media social sharing and an upgraded ad-free subscription service. "We're incredibly excited to launch Octopus Media in North America with a revolutionary new media experience," says Lisa Leung, Octopus Media VERY successful C.E.O. She adds: "Thanks to our huge media catalogue of over 30 million, personalised recommendations and the best lists curated by media experts and fans, Octopus Media makes discovering the media you love easier than ever."
